And she said it was never meant to happen  
But when it did I have to say it was pretty nice  
Waking up in bed with the sun streaming in through the window instead  
of the city lights  
It feels like one of those days when grief ain't even gonna touch the  
sides  
And it feels like one of those days when I'm gonna say I love my life  
Coffee and a waffle looking like the body of a model bought my own ge  
nie and she's popping in the bottle  
Every wish is so delicious she's got me blowing kisses to my misses  
There ain't no rain so we bound for the sea hang around with ice crea  
m while we're down by the beach  
Yo, fo-real and I ain't fibbing believe me it doesn't get better than  
this, we keep it easy

I'm a chill forget about the Monday morning till it comes I'm a stay  
balling  
We keep it easy like a Sunday morning  
So, I'm a chill forget about the Monday morning till it comes I'm a s  
tay balling  
We keep it easy like a Sunday morning

Yo, I woke up late, wipe the sleep from my eyes, no need for a shave  
I don't need to be fly  
But my girlfriend styley (Yeah) I'm stepping outside such a wonderful  
sight not a cloud in the sky  
In love with the landscape she said what's the plan babe?  
I thought for a second, smoked salmon and some pancakes  
Start with the flat white, make mine a double shot  
Mid afternoon might swing by the bottleshop  
Grab a six pack, laying in the park (Yeah) blazed as the daylight fad  
es into dark  
See an old man walking his dog  
Not hurrying at all like he doesn't have a worry in the world  
And as I sit back puffing my trees I think to myself how lucky I be  
I'm the luckiest son of the best mother that ever lived  
Yo, it doesn't get much better than this

I'm a chill forget about the Monday morning till it comes I'm a stay  
balling  
We keep it easy like a Sunday morning

We keep it easy like chopping on the bowl
