

Something I Said

Thundamentals

It must be something that I said,
'Cause you smile in my face,
Then bitch behind my back when I'm gone,
If I die before I wake,
I wonder what you'd say,
I wonder who you'd blame when I'm gone.
Jeswon's verse:
Ayo my flat mates are bitching,
'Why they bitching?',
Maybe 'cause i never do the dishes, I leave 'em in the kitchen,
Now i'm on a mission to find different ways to diss em,
Leave the toilet seat glistening by the time i finish pissing, Yuck!,
Listen up,
Tryna tell me that I lack respect,
I pimp your grandmother out if that means cashin' cheques
The bad guy gettin' mad high
Train my pet magpie to drop a massive shit up on your flannelette,
I used to be the kid that never got a lot done,
Quick to drop in at your crib if you had a hot mum,
Steady sitting on the couch pretending to watch T.V,
All the while staring down her blouse tryna cop a sneak peek,
You see me,
I'm cheeky,
Yet pretty far from evil, But i'm hungry,
So i'm eyeing off your dinner like a seagull,
I'm ugly, Don't judge me, You're bugging while i'm chilling,
I'm feeling like a hero, Why they treat me like a villain?
Chorus A:
It must be something that I said,
'Cause you smile in my face,
Then bitch behind my back when I'm gone,
If I die before I wake,
I wonder what you'd say,
I wonder who you'd blame when I'm gone.

Chorus B:

Why, why, why, why,
why, why,
ohohoh,
Sometimes I can't understand why,
you be callin' me the bad guy, yeah,

Why, why, why, why,
why, why,
ohohoh,
Sometimes I can't understand why,
you be callin' me the bad guy.

Tuka's verse:

When Billy, Has a bitch about Susie to Milly,
It says more about Billy,
Than Susie,
Hey Milly,
Excuse me,
Can you see how silly Billy isn't it confusing,

Ain't it funny how,
Everybody wanna me tell me something,
Now they seem very friendly but their bluffin',
Fussin' and cussin',
Husslin' and bustlin',
Busy making something outta nothing,
I'm done with the dumb shit,
Throw it all away like,
Rubbish in the dust bin,
I've heard it all today,
Yo i'm all love what up it's Tuka the mad hatter,
I'd prefer to fornicate than fuck with ya back stabbers check it, Knowledge
of self is a rock in my life but,
Everybody's got an opinion,
If not somebody's making ya mind up,
And every time I give you a soap box,
You're likely to pipe up but....

Bridge:

You don't ,
Know my love,
You wouldn't do it if you did,
You wouldn't do it if you did,
I said,
You don't ,
Know my love,
You wouldn't do it if you did,
You wouldn't do it if you did,

Chorus B:

Why, why, why, why,
Why, why, ohohoh,
Sometimes I can't understand why,
You be callin' me the bad guy, yeah,

Why, why, why, why,
Why, why, ohohoh,
Sometimes I can't understand why,
You be callin' me the bad guy,

Chorus A:

It must be something that I said,
'Cause you smile in my face,
Then bitch behind my back when I'm gone,
If I die before I wake,
I wonder what you'd say,
I wonder who you'd blame when I'm gone.
