

# Suffering Fools

## Thundamentals

Uh OK

When I wear your shadow you say I'm a fool  
Maybe I suffer for you  
How bout I play to win where as you play it cool  
OK maybe I suffer for you  
I bet that's why you never love me  
I bet that's why you never love me like you wanted to  
Is that why you never love me?  
Is that why I always make you feel uncomfortable?  
OK maybe I'm a liar  
OK maybe I'm a liar I don't speak the truth  
So take me to the fire  
Come on take me to the fire we can rendez vous

Ever since I came in  
Ill communication  
Does it even make sense?  
We don't even say shit  
Suffering fools  
Yeah I know it ain't easy to love me

Ever since I came in  
Ill communication  
Does it even make sense?  
We don't even say shit  
Suffering fools  
Yeah I know it ain't easy to love me

La la la la  
La la la la  
Suffering fools  
Yeah I know it ain't easy to love me

Every single day  
I wake up and I prey  
Caught up in a game  
T'ween reality and make believe  
We could plant a seed we could grow  
And I don't wanna say  
No I don't wanna say  
When I'm old and grey  
You're the one that got away from me  
Reaping what you sow, what you sow  
I'm sorry that I ain't the sharpest of tools in the shed  
Couple snags short of a Barbecue fucked in the head  
I guess that's why you never love me  
Guess that's why you never love me  
I'm as dumb as it gets  
That's why you never love me  
Guess that's why you never love me  
Cause I run my lips

Ever since I came in  
Ill communication  
Does it even make sense?  
We don't even say shit  
Suffering fools

Yeah I know it ain't easy to love me

Ever since I came in  
Ill communication  
Does it even make sense?  
We don't even say shit  
Suffering fools  
Yeah I know it ain't easy to love me

La la la la  
La la la la  
Suffering fools  
And I know it ain't easy to love me

La la la la  
La la la la  
Suffering fools  
And I know it ain't easy to love me
