The Mash

Thundamentals

"Oh, I love to be in love"
(I say)

"Oh, I love to be in love"
It's only just begun
"Oh, I love to be in love"
It's only just begun
"Oh, I love to be in love"

Long legs in a short skirt, fox step makes it all work
Loss for words when I first saw her, had me dreaming of hot sex in the dawn sir
Okay, this just may be my brains imaginations way of sayin'
"I'm taken by this icy honey, she's so amazing"
She's got me acting funny, try not to play the fool
Nervous in chasing my first girlfriend back in the days of school
Those days was cool, but now they're done and dusted, I'm an older man
Dawn 'til dusk, we can talk and stuff, she might even hold my hand
The scene was set down by the beach, she had no need for clothes
Just a green bikini and the sand between her toes
Ill DJs, they's were dropping tracks, I asked her
"Do you wanna dance?" She said, "let's get funky to the 'Monster Mash'!"
She grabbed me by the hand, we moved over to the music
She had a smile on her face, that made me wanna lose it
I tried to keep it smooth, but I couldn't stop staring at the
Way she moved in all that skin that she was wearing
"They did the mash"

Hit to the mix, within a minute, we freakin' with it, we did it to the beef in this picture me
Sitting on the beach, sippin' cheap liquor, kissin' the sweet vixen, thinking "this is pretty neat innit"
And I'ma keep kicking on, breaka-break of dawn, shake that bomb body-body when I play this song
Can't fake the vibe, they tryna waste my time, so by the end of the night I'ma make you mine, it's like

Don't go when the nights not over, in fact it's just begun
I'm still kinda sober, it's time to have some fun
So now that I've approached ya, what would you like to do?
Are those eyes for me? I got a hunch that might be true

"Oh, I love to be in love"
"Oh, I love to be in love"
"Oh, I love to be in love"
"Oh, I love to be in love"

(Como te amamos)
I seen her on the beach doing fire twirls
I thought "this chick could ignite up my world"
Tripping out a six just might unfurl
But one thing's for sure, I know I like this girl
She was cool as a Hula Hooper, her could be so super-duper
Wishing that my moves were smoother, So I could put down my root manoeuvre (I mean)
Girl grooved by the light of the moon, with a smile that could light up a room

Thought I might introduce, cause I'm feelin' inspired by the view, but yah f
irst things first, so I light up a scoob
She must have smelled the aroma, cause now she's headed over
She had a scent like a bed of roses, well equipped with the sexy poses
She took a toke said "My name's Selena"
Half Spanish half Philipina, this mamacita drunk margaritas
She had an apple bomb that was so Bonita
I blow the reefer now it got me gassed, heard said she wanna go halves in a
bag
So was no resistance yo I got it like that
Now we're soft to the patter of the monster mash

"They did the mash"

Dipped to a boudoir sipping on a Coopers™, listening to Tupac
She was like "My new spa needs a cool arse up in it"
I was like "Yeah wicked that'd just undid it"
I'ma keep kicking on, til the breaka-break of dawn, shake that bomb body-
body when I play this song
Can't fake the vibe, they tryna waste my time, so by the end of the night I'
ma make you mine, it goes (hey)

Don't go when the nights not over, in fact it's just begun
I'm still kinda sober, it's time to have some fun
So now that I've approached ya, what would you like to do?
Are those eyes for me? I got a hunch that might be true
Don't go when the nights not over, in fact it's just begun
I'm still kinda sober, it's time to have some fun
So now that I've approached ya, what would you like to do?
Are those eyes for me? I got a hunch that might be true

"Oh, I love to be in love"
"Oh, I love to be in love"
"Oh, I love to be in love"
"Oh, I love to be in love"
