

True Love

Thundamentals

It's true love, true love
It's true love, true love

'Cause I've been told to mingle
Are you feelin' my lingo?
Deep and know we cannot stop
When we pop it like Ringo
'Cause I've been told to mingle
Or style like Ringo
Deep and know we cannot beef
When we want it like dingo (yeah)

La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la

It's true love, true love
It's true love, true love
'Cause I've been told to mingle

[?] lingo, let's split up a beat
I go halves in a long neck, we caught a flamingo
Better on a Friday afternoon
We fell in love by Sunday evenin'
It's a holiday where the fun's for you
It's like every day's the weekend

Love makes you higher (hey)
I'm my own supplier (ho)
So let's multiply (hey)
And shine your light on this world
Now put up your lighter (hey)
So the nights are brighter (ho)
Now we got the fire (hey)
I've been shinin' for sure

La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
'Cause I've been told to mingle

Was it worth that wait?
Was it worth that sacrifice?
Was it worth that time it takes?
Was that appetite you served satisfied?
Hey yo, I heard 'em say
You had [?] not today, no, not today
Not tonight, no
Relax your mind

Love makes you higher (hey)
I'm my own supplier (ho)
So let's multiply (hey)
And shine your light on this world
Now put up your lighter (hey)

So the nights are brighter (ho)
Now we got the fire (hey)
I've been shinin' for sure

La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la

It's true love, true love
It's true love, true love
It's true love, true love
It's true love, true love
