

Your Name

Thundamentals

Your such a pretty girl
I wish I knew your name
Let me introduce myself

Your such a pretty girl
I wish I knew your name
Let me introduce myself

Sorry, did I catch you at a bad time?
Do you mind if I take a seat?
I'm waiting for the train myself
King Street is the place I be
I hope you don't find this offensive
If I fall short of impressive
Courtship isn't my thing
So is that why you phone's more interesting
Does that get your attention?
Now you're thinking I'm a lame jerk
Some guy, saying I don't mind
To a fine young lady while she's just on her way to work
Okay, maybe it's out of line
So it's all cool if you got to go, but
If you got a small amount of time
I think you're beautiful
So I thought you oughta know

Your such a pretty girl
I wish I knew your name
Let me introduce myself
Would you like to visit my world?

Your such a pretty girl
I wish I knew your name
Let me introduce myself
Would you like to visit my world?

Hey, I don't mean to appear rude
I bet you're thinking I'm a weird dude
But I ain't see-through, I speak truth
Truth is I feel sick till the minute when I see you
I see you sitting her waiting
Train's late is it testing your patience?
You're the prettiest miss on the station
I'd give anything just to know what your name is
And everyday when I'm walking past
I shoot you a smile, that's my calling card
You smile back, I think you're a star
Would it be too much if I ask for your autograph?
I know this seems forward
But I'm through with being cautious
So, would you like to go out somewhere?
Would you wanna let down your hair with me?

Your such a pretty girl
I wish I knew your name
Let me introduce myself
Would you like to visit my world?

Your such a pretty girl
