

Something About You

Thunder

Goodbye Johnny, sad to see you go away
Goodbye Johnny, is there nothing I can say?
To make you think it over, maybe change your mind and stay
Goodbye Johnny, sad to see you go away

And it's so unfair, you had something there
And it's so unfair, 'cause there's something about you

Goodbye Johnny, it was different at the start
But she called you bluff and tore your life apart
And as I watched you crumble, I could hear your breaking heart
Goodbye Johnny, now it's different from the start

And it's so unfair, you had something there
And it's so unfair, 'cause there's something about you

You're making a sacrifice, well that's alright
But sooner or later there may come a time
when you see your life and it don't belong to you
'cause you caved in under pressure, now what you gonna do?
Don't throw your life away!

Goodbye Johnny, sad to see you go away (Goodbye Johnny, sad to
see you go away)
Goodbye Johnny, is there nothing I can say? (Goodbye Johnny, is
there nothing I can say?)
to make you think it over, maybe change your mind and stay
Goodbye Johnny, sad to see you go away
(Goodbye Johnny, sad to see you go)

And it's so unfair, you had something there
And it's so unfair, don't throw your lifaway
And it's so unfair, you had something there
And it's so unfair, 'cause there's something about you
There's something about you
Something about you
There's something about you now
Something
'Cause there's something about you
Something about
