

# Inferno

Thundercat

Into the fire  
Black skies  
Filled with smoke  
Darker horizons ahead

Out of the pan  
And into the fire  
The descent into madness

Bright as day  
Dark as night  
The inferno

Into the fire  
Black skies  
Filled with smoke  
Darker horizons ahead (that's right)

Out of the pan  
And into the fire  
The descent into madness

Bright as day  
Dark as night  
The inferno
