

Upside Down (Candy Crush)

Thundercat

Upside down
Ooh, you turn me inside out
'Round and 'round
Upside down
Ooh, you turn me inside out
And 'round and 'round

Instinctively, you give to me a love that don't end
Cherish the moments with you
Respectfully, I say to thee
I'm aware that you're cheating
When no one makes me feel like you do

Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully
Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully

I know you got your main appeal
You always play the field
I'm crazy to think you're all mine
As long as the sun continues to shine
There's a place for you in my heart, that's the bottom line

Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully
Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully

Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully
Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully

Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully
Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully

Upside down, you're turning me
You're giving love instinctively

'Round and 'round, you're turning me
I say to thee respectfully
Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully

Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully
Upside down, you're turning me
You're giving love instinctively
'Round and 'round, you're turning me
I say to thee respectfully
