

# Deranged

Thundermother

Work you bastard  
What if I don't  
I live for fun  
Not for Babylon  
You will push me  
I just go  
I might die  
Tomorrow

Too many hangovers  
Never too much fun

Hey hey hey  
You're d-d-deranged  
And m-m-m-me  
Forever un, forever unchanged  
Hey hey hey  
You're d-d-deranged  
And m-m-m-me  
Forever un, forever unchanged

I'm proud of where I am  
Where are you now?  
I'll follow the dream  
Won't live a lie

Too many hangovers  
Never too much fun

Hey hey hey  
You're d-d-deranged  
And m-m-m-me  
Forever un, forever unchanged  
Hey hey hey  
You're d-d-deranged  
And m-m-m-me  
Forever un, forever unchanged

Hey hey hey  
You're d-d-deranged  
And m-m-m-me  
Forever un, forever unchanged  
Hey hey hey  
You're d-d-deranged  
And m-m-m-me  
Forever un, forever unchanged
