

# Dog From Hell

Thundermother

You want love and affection  
I can read what's on your mind  
But baby let me warn you  
There is something I can't hide  
You hear a weeping howl  
And feel a sudden chill  
You're paralyzed and can't resist the thrill

Love is a dog, a dog from hell  
Love is a dog, a dog from hell  
It bites and barks, won't treat you well  
Love is a dog, a dog from hell

You don't respect the danger  
And you think this is a bluff  
You're blinded by a stranger  
And you cannot get enough  
The beast has come to conquer  
You will be torn apart  
I'll drop you like a bone and take your heart

Love is a dog, a dog from hell  
Love is a dog, a dog from hell  
It bites and barks, won't treat you well  
Love is a dog, a dog from hell

Ohoh ohoh ohohoh  
Ohoh ohoh ohohoh  
Ohoh ohoh ohohoh  
Love is a dog, a dog from hell

Love is a dog, a dog from hell  
Love is a dog, a dog from hell  
It bites and barks, won't treat you well  
Love is a dog, a dog from hell

Ohoh ohoh ohohoh  
Ohoh ohoh ohohoh  
Ohoh ohoh ohohoh  
Love is a dog, a dog from hell
