

Ghosts

Thundermother

(Ghosts)

Hey, yeay

Demons in my head
Forcing me to lie
To myself
Everyday
All the time
Demons on my back
Leading light
Guiding me
Down down down

The dark don't make me lonely
I become unholy
Haunted
Surrounded by ghosts!

Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show
Ghosts
Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show

(Ghosts)

Devil by my side
Force my hand
A cold touch
Keeping me from giving a damn
Voice in my head
Ain't gotta give it cred'
By my side
Til' I'm dead

The dark don't make me lonely
I become unholy
Haunted
Surrounded by ghosts!

Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go

Cus' you're a side show
Ghosts
Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show

(Ghosts)

He-e-e-ey
Surrounded by ghosts!

Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show
Ghosts
Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show

Ghosts
Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show
Ghosts
Shut up, shut up, shut up
You gotta go
Shut up, shut up
Not gonna tip toe
Shut up, shut up, shut up
You gotta go
Cus' you're a side show

You gotta go
You gotta go
You gotta go
