So grace this one last time!
Now taste my shit, motherfucker!!

Forever I walk, through the dust!
Put up your legs, I'm dreaming of you!
You're wretched!
Your innocence, bitch, belongs to me! Oawh!

You custom made my eyes you fucking whore,
You take this torture from my hands!
I'll burn my name onto your chest!
Triple six, 'bitch, burns best!

I am filled by lust! For innocence..
Lets see your guts,
We'll open you up you and tuck fuck you in!
Welcome to Death! Bitch!
