

Salah-Dhin

Thy Disease

The power build on injustice
And lies cannot be eternal
With persistence and courage
We will defeat the technological power
You will not break the strength of will
A year has passed
None believes in the empire of fear
Await the new master

Salah-Dhin, Salah-Dhin
Son of this Earth unites imma
Salah-Dhin, Salah-Dhin
For blood and tears now Jihad
Salah-Dhin, Salah-Dhin
Son of this Earth unites imma
Salah-Dhin, Salah-Dhin
For blood and tears now Jihad

The time of revenge is near blood and tears
Arrival of the great leader
In the name of God
The time of revenge is near
We'll rule the new world
The ones on death's side will prevail
We'll slay the unfaithful
Await the new master!
