Jerm's got the thangs, Jerm's got the juice  
I keep my fire on  
Yeah

I keep my fire on  
Said trust no one, I won't  
Text say "why you not home?"  
Reason why I'm alone  
Ringing my Apple phone  
And I heard overtones  
I never felt so lone  
I knew my love was gone  
I keep my fire on  
Said trust no one, I won't  
Text say "why you not home?"  
Reason why I'm alone  
Ringing my Apple phone  
And I heard overtones  
I never felt so lone  
I knew my love was gone

Don't be calling my phone, nigga gotta come correct  
Cause I'mma skrt off leave a nigga upset, mhm  
Bitch I ball, never need a net  
He said he suwu and he put it on the set, mhm  
Don't be calling my phone, nigga gotta come correct  
Cause I'mma skrt off leave a nigga upset, mhm  
Bitch I ball, never need a net  
He said he suwu and he put it on the set, mhm

Nigga you different  
Baby all alone cause you know your body vicious  
That's your real hair and your pussy taste delicious  
There you go, nigga, why you never listen?  
Yeah get real, nigga get realistic  
Everybody know that I'm thicker than a biscuit  
Everybody know I got an island in my kitchen  
Everybody know I take a shot and I won't miss it, yeah  
Big dick, yeah  
Ride it on the bed  
Don't want that talking, want your money and your head  
Go to church if you're scared  
And I'm riding on X  
Bought that Audi, never going out sad

I keep my fire on  
Said trust no one, I won't  
Text say "why you not home?"  
Reason why I'm alone  
Ringing my Apple phone  
And I heard overtones  
I never felt so lone  
I knew my love was gone  
I keep my fire on  
Said trust no one, I won't  
Text say "why you not home?"  
Reason why I'm alone

Ringin' my Apple phone  
And I heard overtones  
I never felt so lone  
I knew my love was gone

Don't be calling my phone, nigga gotta come correct  
Cause I'mma skrt off leave a nigga upset, mhm  
Bitch I ball, never need a net  
He said he suwu and he put it on the set, mhm  
Don't be calling my phone, nigga gotta come correct  
Cause I'mma skrt off leave a nigga upset, mhm  
Bitch I ball, never need a net
