

If you had yo' way  
You would keep me at my fuckin' worst  
How the fuck you tell me all that shit you did?  
That really hurt  
Used to use my card to pay for shit  
So you looked really turnt (Yeah)  
You was jus' usin' me  
But it ain't no raw, bitch, I should really curb  
You fuckin' work  
Complaining, not payin' for shit  
You petty lil' bitch, gettin' on my fuckin' nerves  
Tossed to the curb  
You makin' me mad and I'm drivin' real fast  
And that pussy gon' never learn

He need a perm, straighten it out  
Been talkin' the money  
It counts in amounts (Boom, boom)  
I'ma call 'bout that shit then forget it, ah (Huh?)  
I'ma talk all that shit 'cause that's what I'm 'bout (Huh?)  
I'ma fuck from the bed to the floor to the couch  
She say "Love that you give me the same I give out"  
You know, niggas gon' say I taste bad in they mouth  
When they east to the north to the west to the south

You don't know me, lil' baby  
You know what I'm 'bout  
My scope in yo' mini  
But, fuck is a stout?  
Plenty fish in the sea  
All you catchin' is trout  
Ain't no beefin' with bitches who pussy on drought

He be drillin' this pussy, he duggin' me out  
I mean diggin', no, wiggin', that dick get a house  
Said incision, envision, I'm mappin' it out  
Some hoes in this house and I'm bringin' 'em out  
Said "I could've," that bitch got me lookin', like, "How?"  
You ain't startin' no shit that we started tonight  
You know I need a bat, no, I need it right now  
You might keep it a buck but I keep it a dub  
Said the pussy wanna talk, hit her face, like, "Wow"  
And that pussy so good, he said he had to bow  
Ain't no waitin' for later, they hearin' me now  
I thought shit was forever, told that nigga "Ciao"  
And my city been bankin' on me, when they  
"Tia, keep goin', you makin' it out  
And I love how you reppin' Tre 4," everything that I know  
Can't forget that I'm straight from the south  
You get more money than respect I get  
But you won't catch me 'cause I don't hate my style (Nope)  
I be a boss ass bitch than a stank lil' hoe  
'Fore I dead a nigga out like a child  
I just start dealin' with shit that I did  
I just started from bottom, that shit really wild  
I play my daughter my music, she lose it  
I be here little Penny, I'm makin' her proud
