

# Hotel Mink

TiaCorine

I got some stacks on me  
Ocean, pockets deep  
Speaking facts only  
Who got' love you more than me?

I need that hotel ink  
Fuck on that hotel mink  
He like to show and tell me  
He copped the ice low-key  
He tryna polar bear me  
He mad he can't control me  
Nigga tried to play me  
This ain't no fucking symphony

He put it in knee deep  
He put that pussy on repeat  
I'm thick, I'm yellow, and petite  
Say who gon' love you more than me?  
He put it in knee deep  
He put that pussy on repeat  
I'm thick, I'm yellow, and petite  
Say who gon' love you more than me?

I'm geeked up, eyes enormous  
I'm heat now, I'm hot, bitch I'm scorching  
You not elite, kick you out, we aborting  
No love from me 'cause you think I'm not important  
I reached out higher than my dreams  
You a leech now, tryna intervene  
But it's above me now, you cannot complete  
I think it's funny how I'm still in the lead

He put it in knee deep  
He put that pussy on repeat  
I'm thick, I'm yellow, and petite  
Say who gon' love you more than me?  
He put it in knee deep  
He put that pussy on repeat  
I'm thick, I'm yellow, and petite  
Say who gon' love you more than me?
