

Damn, Tragic made that?

So what's the hype for? These bitches is aight, though
That pussy crazy, he thought I was a psycho
I drive him brazy like car that came with nitro
Said I got a tight hole, he fuck me with his eyes closed
I told him suck it up like that nigga needed lipo
'Cause you got a light pole, you bet you think you Michael
Glasses on my face 'cause I told her, "It's on sight, ho"
Fuck up out my face, it ain't safe, bitch, you can die slow

We can kick it at my place, shawty, this ain't Tai Bo
I ain't mean that shit, stupid bitch, that was a typo
Bitch, I'm high as hell, what the fuck I need a kite for?
No, bitch, don't come this way 'cause what the fuck you tryna die for?
Hope you get enough 'cause you get what you get
Look at my phone like, "New number, who this?"
Suck on my coochie, I'll suck on your dick
Don't fuck me like that, nigga, fuck me like this
I cannot trip 'cause it is what it is
Don't care what you talkin', [?] like this
I'm off a [?], me and my jit
I fuck with these bitches, I'm doin' it big
Now, you know my baby got only one kid
Don't know what you saw but I know what I did
Shoutout my niggas that's doing a bit
And why is you gassin'? You know that you mid
Sellin' my pussy and [?] nice [?]
Don't fuck with them niggas, take you off the grid
I do what I want 'cause I live how I live
I can forgive but I cannot forgive

So what's the hype for? These bitches is aight, though
That pussy crazy, he thought I was a psycho
I drive him brazy like car that came with nitro
Said I got a tight hole, he fuck me with his eyes closed
I told him suck it up like that nigga needed lipo
'Cause you got a light pole, you bet you think you Michael
Glasses on my face 'cause I told her, "It's on sight, ho"
Fuck up out my face, it ain't safe, bitch, you can die slow

And fuck it, [?] all that I'm going to hell
I don't fuck with you but I'm wishin' you well
Bitch, I am a [?] not fuckin' with [?]
I'm sorry your honor but I cannot tell
I'm doing my thing and I'm doing it well
He movin' the bricks and he doing it swell
Bitch, I'm a big fish in the sea like a whale
You gave him that kitty, it came with a smell
Boy, you acting like Gary, you slow, you a snail
And if you [?] my phone then you makin' the bales
I came from the bottom like water and well
I'm grippin' that dick, he said he like my nails
You stay by my side like I'm Sonic, you Tails
If I got the diamonds, not comin' from [?]
Put dick in my stomach, you makin' me ill
If you do your best, ain't no way you can fail

I told him come through to the house like some mail
Leaning on me but I'm tippin' the scale
You niggas that's on me, you niggas is frail
These bitches can't see me, I gave her some braille
He gave me good brain, I think he came from Yale
My niggas is hard like some bread that went stale
Why you ask me, nigga? Do it yourself
Say I don't love you, I wish you could tell
