

Love U Like I Do

Tiara Thomas

I been chilling now that all this weight is off
Shining on my ex, it feels amazing ya'll
I move on and here you come, it's no surprise
Soon as you got off my mind that's when you jump on my line

Callin', callin', callin', callin', callin' call
Cause you're falling off, you're on, you're on your own
When you finally realize that I'm good
Oh nah baby, now you wanna love me like you should

I need no more to love you like I do
To love you like I do, to love you like I do
I need no more to love you like I do
To love you like I do, to love you like I do

When you realize this is real life, I never felt like this
You say anything to some other girl so you can bust right quick
Tell me lies, I know you so well
And you seem to think you're the realest nigga but I just can't tell

Callin', callin', callin', callin', callin' call
Cause you're falling off, you're on, you're on your own
When you finally realize that I'm good
Oh nah baby, now you wanna love me like you should

I need no more to love you like I do
To love you like I do, to love you like I do
I need no more to love you like I do
To love you like I do, to love you like I do
