

## Retro 1's

Tiara Thomas

How do I live this sort of life?  
Pop champagne getting poured all night  
I don't want none of these niggas in sight  
Getting geeked up with a foreign dyke

Retro 1's with the orange  
Bitch get hit in my Jordan's  
Bitch get naked in a foreign  
She whip me eggs in the mornin'

Bitch from the hills name Lauren  
Loose like flags when I'm tourin'  
And she don't like no  
Tryna be everywhere I go  
Acting like she fell in love  
I just took off like a dove  
Shawty salty than a mug  
But I just ran out of fucks  
Yeaaaah, you know I got it  
Touching on my body  
You acting naughty  
I like em naughty  
That extra sloppy  
That ain't gon' stop me

She whip me eggs in the mornin'

That bitch from the hood name Keisha  
Brown skin and she look like Issa  
[?], babe  
When I paint her face, she look like Mona Lisa  
Break down and roll my reefer  
I want my cake and eat it  
We do this every weekend  
No pipe, but shawty leaking wet  
You know I got it  
Touching on my body  
Is that your hobby?
