Eyes completely useless to me.
Breathing complications.

Where is my father, pacing impatiently?
Who is this doctor, smiling horribly?
And what has he done to me?

What has he done? (2x)
What has he done? Done?

What have I done wrong?
Stay inside this vessel 'til it's dawn.
I know I'll be trapped inside this prison. Ohhhh.

Coming to life now. I came from death. (2x)

It all looks so strangely familiar.
You'll never remember. Never remember.

What have I done?
What have I done?
What have I done? Done?
What have I...
