

# DIFFICULT

Tierra Whack

I can't sleep  
I can't eat  
I feel small  
So petite  
I act strong  
But I'm weak 'cause  
Living is difficult  
I was born to survive  
See the pain in my eyes  
I've been stressed and deprived

Living is difficult (so cold)  
Living is difficult (so cold)  
Living is difficult (so cold)  
Living is difficult (so cold)

Walking round with a pocket full of tissues  
I been hurting from the things that I been through  
Write it down with the lead in my pencil  
I been looking for somebody I could vent to

Tell me who can I vent to?  
I forgot to call you back but I meant to  
Mamma told me that it's all in my mental  
Yeah right it's in my mental

Doing things I regret yeah I tend to  
Cussing out my fam and my friends too  
Take it easy  
Be gentle  
Words for ya influ

Man you can't let it get you down  
Don't let it get you down  
Man you can't let it get you  
'Cause we all got issues

I can't sleep  
I can't eat  
I feel small  
So petite  
I act strong  
But I'm weak 'cause  
Living is difficult  
I was born to survive  
See the pain in my eyes  
I've been stressed and deprived

Living is difficult (so cold)  
Living is difficult (so cold)  
Living is difficult (so cold)  
Living is difficult (so cold)

Gloves up  
I've been fighting temptation...  
But the trouble keeps chasing  
Used to have dreams of escaping

Now I make the best of every situation  
Even though it's irritating  
And the time keeps wasting  
And the bonds keep breaking  
You gotta learn to embrace it

Man you can't let it get you down  
Don't let it get you down  
Man you can't let it get you  
'Cause we all got issues

I can't sleep  
I can't eat  
I feel small  
So petite  
I act strong  
But I'm weak 'cause  
Living is difficult  
I was born to survive  
See the pain in my eyes  
I've been stressed and deprived

Living is difficult (so cold)  
Living is difficult (so cold)
