I'm tired of trying love
Don't try to buy my love
I'm tired of crying out
You tried to buy my love, my love, my love

Money won't make me stay
I got my own paper
Move cause you're in my way
Why you gotta ruin my day, my day
Money won't make me stay
I got my own paper
Move cause you're in my way
Why you wanna ruin my day, my day

Ching ching ching ching (Why you wanna)
Ding-a-ling ding ding (So tired of your)
Ching ching ching ching (Why you wanna)
Ding-a-ling ding ding (So tired of your)
Ching ching ching ching
