

10:35

Tiësto

All I know it's 10:35  
And I can feel your arms around me  
Let 'em drown me  
All I know it's 10:35  
And I'm thankin', thankin' God you found me  
That you found me

Every day, I go places in my head  
Darker thoughts are harder now  
They look like monsters under my bed  
And every time, it's like a rocket through my chest  
The TV make you think the whole world's about to end

I don't know where this night is goin' (Goin')  
But I know that you and me got somethin' (Somethin')  
So many things that I'm afraid of (I'm afraid of)  
But right now I ain't scared of nothin'  
( 'Cause all I know it's, 'cause all I know it's, all I, all I)

'Cause all I know it's 10:35  
And I can feel your arms around me  
Let 'em drown me  
All I know it's 10:35  
And I'm thankin', thankin' God you found me  
That you found me  
So don't you worry about tomorrow  
Don't you worry, just pass the bottle  
All I know it's 10:35  
And I can feel your arms around me  
Let 'em drown me

Every night, I go places in my dreams  
So many never-endin' alleyways  
I don't know what it means  
But this is it, I know the sun'll wake me up  
Tell me I'd be dumb to not get what I want

I don't know where this night is goin'  
But I know that you and me got somethin'  
So many things that I'm afraid of  
But right now I ain't scared of nothin'  
( 'Cause all I know it's, all I, all I)

'Cause all I know it's 10:35  
And I can feel your arms around me  
Let 'em drown me  
All I know it's 10:35  
And I'm thankin', thankin' God you found me  
That you found me  
So don't you worry about tomorrow  
Don't you worry (Yeah), just pass the bottle (Oh)  
All I know it's 10:35  
And I can feel your arms around me  
Let 'em drown me (Oh-oh, oh)

It's 10:35, oh-oh  
10:35, oh-oh-oh

Know it's 10:35, oh-oh-oh  
Know it's 10:35, oh-oh-oh
