

# BLUE

Tiësto

Feeling blue without you  
Give me one more chance, give me one more dance  
I'm feeling blue without you  
Tell me who am I to hold you down

Just feeling blue without you  
Give me one more chance, give me one more dance  
I'm feeling blue without you  
Tell me who am I to hold you down

I dream that you won't forget me  
That's all I really ask of ya  
I'd love to talk if you'd let me  
I'll take you back to the start with me

I keep on dreaming, I don't know why  
I can't seem to let it go  
But I keep on tripping on what we had  
It's hard not to let you know

I'm feeling blue without you  
Give me one more chance, give me one more dance  
I'm feeling blue without you  
Tell me who am I to hold you down

I'm feeling blue without you  
I don't know what I should do-o-o-o  
Feeling so blue without you

We built our love on foundations  
We built a house on the hill, yeah  
Our little rock of salvation  
Oh, my love's there still

'Cause I keep on dreaming, I don't know why  
I can't seem to let it go  
But I keep on tripping on what we had  
It's hard not to let you know

I'm feeling blue without you  
Give me one more chance, give me one more dance  
I'm feeling blue without you  
Tell me who am I to hold you down

I'm feeling blue, yeah  
Oh, give me one more chance, give me one more dance  
I'm blue without you  
Tell me who am I to hold you down  
Just feeling blue without you
