

Close To Me

Tiěsto

Some days we slip into our dream where we are
Free to be are that we can be
Feel the moment so alive
Dive into your eyes where
You can't hide
You're so close to me [x3]
So close...
You're so close to me [x3]
So close...

Some days we slip into our dream where we are
Free to be are that we can be
Feel the moment so alive
Dive into your eyes where
You can't hide
You're so close to me [x3]
So close...
You're so close to me [x3]
So close...
