

# Echoes

Tiësto

Your echoes  
Bursting of the walls into my heart  
Echoes  
Reaching me no matter where you are  
Your echoes  
This is really  
Baby, I can't let go  
I can't help surrender to your echoes  
Echoes...

Your echoes  
Serving every drop into emotion  
Your echoes  
Setting every sense a heavy motion  
Your echoes  
This is really  
Baby, I can't let go  
I can't help surrender to your echoes  
Echoes...
