

Feel It in My Bones

Tiësto

Blow by blow.
I didn't see it coming.
Blow by blow.
Sucker punch.

Rushes in.
Here to stay.
Rushes in.
You are here to stay.

What rushes in to my heart and my skull,
I can't control. Think about it, feel it in my bones.
What rushes in to my heart and my skull,
I can't control.

I feel you in my bones.
(Feel... you... in... my... bones...)
You're knocking at my window.
(I feel you in my bones...)
You're slow to letting me go.
I know this feeling oh so,
this feeling in my bones.

Left hook.
I didn't see it coming.
Left hook.
You've got dead aim.

Rushes out.
Run away.
Rushes out.
You always run away.

What rushes in to my heart and my skull,
I can't control. Think about it, feel it in my bones.
What rushes in to my heart and my skull,
I can't control.

I feel you in my bones.
(Feel... you... in... my... bones...)
You're knocking at my window.
(I feel you in my bones...)
You're slow to letting me go.
I know this feeling oh so,
this feeling in my bones.

I feel you in my bones.
(Feel... you... in... my... bones...)
You're knocking at my window.
(I feel you in my bones...)
You're slow to letting me go.
I know this feeling oh so,
this feeling in my bones.

I feel it in my bones.
At night my skull feels... (pressure).
I feel it (pressure) in my bones (pressure).

I feel it in my skull.

I feel you in my bones.

(Feel... you... in... my... bones...)

You're knocking at my window.

(I feel you in my bones...)

You're slow to letting me go.

I know this feeling oh so,

this feeling in my bones.

I take a breath. Take a breath...

with me. Blow by blow.

Take a break. Take a break...

from me. You are here to stay.

I take my heart out of my chest,

I just don't need it any more.

Take my head out of the game,

I just don't need it any more.

Take a breath. Take a breath...

with me. Blow by blow.

Take a break. Take a break...

from me. You are here to stay.

I take my heart out of my chest,

I just don't need it any more.

Take my head out of the game,

I just don't need it any more.

I feel you in my bones.

(Feel... you... in... my... bones...)

You're knocking at my window.

(I feel you in my bones...)

You're slow to letting me go.

I know this feeling oh so,

this feeling in my bones.
