

## Feel Your Ghost

Tiësto

Oh, I feel your ghost, you're haunting me  
Oh, I think you know what you do to me  
Oh, I feel your ghost, you're haunting me  
Oh, I think you know what you do to me

Oh, you're everywhere that I turn, feel like I'm losing it  
It gets so hard to discern what's really in my head  
I should be more concerned, but I don't think there's  
Nothing I can do, nothing I can do

Oh, so we gonna thunder, we gonna rain  
I'm not a runner, I'm not afraid  
We gonna thunder, we gonna rain  
Won't be no one like me again

Oh, I feel your ghost, you're haunting me  
Oh, I think you know what you do to me  
Oh, I feel you most when I try to sleep  
So you're in my dreams

Oh, you're everywhere that I turn, feel like I'm losing it  
It gets so hard to discern what's really in my head  
I should be more concerned, but I don't think there's  
Nothing I can do, nothing I can do

Oh, so we gonna thunder, we gonna rain  
I'm not a runner, I'm not afraid  
We gonna thunder, we gonna rain  
Won't be no one like me again

Oh, I feel your ghost, you're haunting me  
Oh, I think you know what you do to me  
Oh, I feel you most when I try to sleep  
So you're in my dreams

Oh, I feel your ghost, you're haunting me  
Oh, I think you know what you do to me  
Oh, I feel you most when I try to sleep  
So you're in my dreams
