

# God Is A Dancer

Tiësto

God is a dancer  
Yeah, I heard on the radio  
That she always go harder  
'Cause she keeping you on your toes  
And she's perfectly focused  
She's lost in the moment, ooh ah  
Ooh ah  
Ooh ay ah, ooh ay ah

Are you feeling that fire?  
'Cause the music is on the way  
If you wanna be higher  
Wanna move till the break of day, ah  
Ooh ay  
Better go better watch it, ooh ah  
Ooo ah  
Ooh ay ah

Just take it step by step  
When you come out on the floor  
You've got that left right left  
To leave 'em coming back for more  
You've got that step by step  
When you come out on the floor  
You've got that ooh na na na na na na
