

I Can't Wait

Tiěsto

Look up
I'm comin' back to Earth
If there's a lesson I've learned
I've been holdin' back for so long
People
Ain't just me who can fly
Yeah, we all gotta try
I've been holdin' back for so long

I can't wait
I can't wait
I can't wait
I've been holdin' back for so long

I can't wait
I've been holdin' back for so long
