

One and two, three and four  
Go thru kaleidoscope, I see you there  
Five and six, so many, then many more

This is where you want to be  
It's where you want to see

All together, now we sing in unison  
All together, now we sing in unison

One and two, three and four  
Go thru kaleidoscope

All together, we sing in unison  
We... sing in unison

All together, now we sing in unison  
This is where you want to see and where you want to be

All together, now we sing in unison  
This is where you want to see and where you want to be

All together, now we sing in unison  
All together, now we sing in unison

Where you want to see and where you want to be

(One, Two, Three)

All together, now we sing in unison  
This is where you want to see and where you want to be

All together, now we sing in unison  
This is where you want to see and where you want to be

All together, now we sing in unison  
All together, now we sing in unison
