

Over You

Tiěsto

Feelin' like all I do is run (Oh-oh)
I never sleep in my bed alone (Oh-oh)
I could be happy but I'm not (Oh-oh)
Chasing a feeling, but it's gone

I keep tryna run to you, but I just can't get moving
It's like I'm in a dream, I can't wake up, there's always you i
n

Oh, I know it's sad but it's true
I did all I could for you, but it's over, over now
Whatever I do, you're still too hard to lose
I know I ain't even close to over you

I ain't even
I ain't even
I ain't even close to over you
I ain't even
I ain't even
I ain't even close to over you

All of the talking goes to waste (Oh-oh)
'Cause, baby, it always ends the same (Oh-oh)
If you were hearing what I say (Oh-oh)
We could be right back there again

'Cause I keep tryna run to you, but I just can't get moving
It's like I'm in a dream, I can't wake up, there's always you i
n

Oh, I know it's sad but it's true
I did all I could for you, but it's over, over now
Whatever I do (Whatever I do), you're still too hard to lose
I know I ain't even close to over you

I ain't even
I ain't even
I ain't even (Oh)
I ain't even, oh
I ain't even close to over you
I ain't even (I ain't even close)
I ain't even close to over you (Even close to over you)
I ain't even (I ain't even close)
I ain't even close to over you
