# Resilient

**Tiësto**

I know there's gotta be rain if I want the rainbows
And I know the higher I climb, the harder the wind blows
Yeah, I've gone to sleep night after night punching a pillow
But do you know the darker the night, the brighter the stars gl
ow?

'Cause I am resilient
A full flower moment
Won't let the concrete hold me back, oh no
I am resilient
Born to be brilliant
You'll see me grow right through the cracks, yeah
'Cause you're gonna watch this flower grow
Right through the cracks

Aitana
Puede llover por unos meses
No todo sale como uno lo quiere a veces
Si hubo una herida, la curé solo yo, solo yo, solo yo
Si caigo me hago más fuerte, no es cuestión de suerte, yeah
Somos mejores si together
Estamos open to better
Que el sol siga brillando y que lo malo no me espere
Let's begin a revolution
'Cause love is the resolution
No hay nada que me pueda parar

'Cause I am resilient
Open to better
Won't let the concrete hold me back, oh yeah
I am resilient (I am, I am)
Born to be brilliant
I'm gonna grow right through the cracks
Oh, yeah

Oh, I am resilient (I am resilient)
Born to be brilliant
I'm gonna grow right through the cracks (Through the cracks)
Oh, you're gonna watch this flower grow
Right through the cracks
