

# Ritual

Tiësto

Too high, too deep  
It's you, it's me  
Too wired to sleep, oh yeah  
One thing to need  
Three words I speak  
When you're with me, babe

Oh come on, come on  
However I act, you know how much I care  
Come on, come on  
You know what I want, now meet me if you dare  
Love on the run, love on the run  
I'll do anything to be there  
Be there

And I'll always say your name like a prayer  
Oh when you touch me there  
Oh you'll always be my ritual  
Always, love you all through the night, eh  
Be there when the sun is rising  
Oh you'll always be my ritual  
Oh you'll always be my ritual  
Oh you'll always be my ritual

You worship me  
Beneath the sheets  
Our love, unique  
And even when...  
You leave my bed  
You're in my head  
You're all I need

Oh come on, come on  
However I act, you know how much I care  
Come on, come on  
You know what I want, now meet me if you dare  
Love on the run, love on the run  
I'll do anything to be there  
Be there

And I'll always say your name like a prayer  
Oh when you touch me there  
Oh you'll always be my ritual  
Always, love you all through the night, eh  
Be there when the sun is rising  
Oh you'll always be my ritual  
Oh you'll always be my ritual  
Oh you'll always be my ritual

So come on, come on, come on, come on, babe  
So come on, come on, come on, come on, babe  
Oh, love on the run, love on the run, love on the run, babe  
Oh, anywhere, be there with you

And I'll always say your name like a prayer  
Oh when you touch me there  
Oh you'll always be my ritual

Always, love you all through the night, eh  
Be there when the sun is rising  
Oh you'll always be my ritual  
And I'll always say your name like a prayer  
Oh when you touch me there  
Oh you'll always be my ritual  
Always, love you all through the night, eh  
Be there when the sun is rising  
Oh you'll always be my ritual  
You'll always be my ritual
