

## Sweet Misery

Tiësto

Do you really want to know  
tell me  
tell me  
can you feel me letting go  
slowly  
i'm scared to  
fall into you

but i want to  
feel you touch you know you  
and i want to  
so i let you set me free  
into sweet misery  
sweet misery

there's a hunger do you know  
feed me  
feed me  
it's getting harder not to show  
free me  
i'm scared to  
fall into you

why you always try to see  
through me
