

# Trouble

Tiěsto

Ooh, come with me  
And I lay my cards on the table  
Ooh-ooh, when you looked at me  
Couldn't you tell that I was trouble, trouble?  
Ooh, come with me  
'Cause it's much more fun as a rebel  
Ooh-ooh, when you looked at me, baby  
Couldn't you tell that I was trouble?

Trouble, trouble  
Couldn't you tell that I was trouble, trouble?  
Trouble, trouble, trouble, trouble  
Trouble, trouble, trouble, trouble  
Trouble, trouble, trouble, trouble

Couldn't you tell that I was trouble, trouble?

Ooh, come with me  
And I lay my cards on the table  
Ooh-ooh, when you looked at me  
Couldn't you tell that I was trouble, trouble?  
Ooh, come with me  
'Cause it's much more fun as a rebel  
Ooh-ooh, when you looked at me, baby  
Couldn't you tell that I was trouble?

Trouble, trouble, trouble, trouble (Couldn't you tell that I was trouble, trouble?)  
Couldn't you tell that I was trouble, trouble?  
Trouble, trouble, trouble, trouble  
Trouble, trouble, trouble, trouble  
Trouble, trouble, trouble, trouble

Couldn't you tell that I was trouble, trouble?
