

# Heartbreak

Tiffany Alvord

It's like a battle cry  
Calling out your name  
Wishing you were here with me  
It's so hard to think  
Of letting you go,  
Of letting you leave  
And I will try to give you my all  
Just as long as you promise me  
You'll answer when I call, Oh oh

Just promise me you'll never break my heart  
Just tell me that you'll make it safely home  
Cause I know what it's like, to feel alone, Oh oh  
Just tell me that you know this isn't a mistake,  
Cause I don't want to wait around, for the heartbreak

As the war goes on,  
I just miss you more,  
Wondering how long this will last  
Thinking of tomorrow,  
But holding on to the past  
And I will try to give you my all  
Just as long as you promise me  
You'll answer when I call, Oh oh

And I don't know what to do,  
Hold on or let go of you  
And I know that your on the field,  
But I need you to be my shield  
And do the things you need to do,  
I'll be waiting here, for you  
And I know that your there to fight,  
So just be brave you'll be alright  
And I will try to give you my all  
Just as long as you promise me  
You'll answer when I call, Oh oh
