

So Far Away

Tiffany Alvord

Oh we use to talk
About everything
That we've done
And no matter what we would do
If I was with you
I would have fun

But now your so far away
And I miss you everyday
Cause your so far away
And I wanted you to stay
Not be so far away, away

Oh you tell me your leaving
And that you don't want to go
But that you have to go
You helped me and made me
Who I am
And without you I'm broken

So why do you have to be so far away
Cause I miss you everyday
Cause your so far away
And I wanted you to stay
Not be so far away, away

And why do we have to say goodbye
To all the good times we had
It won't ever be the same
Now that your gone
Now that your gone

Cause your, your so far away
And I miss you everyday
Cause your so far away
And I wanted you to stay
Not be so far away, away
Away....
