

# All The Talking

Tiffany Darwish

I don't like the way I feel  
But I don't understand  
Why I hide the things I do  
And I don't care who's wrong or right  
I just need a reason,  
A reason just to see it through

And I don't care if I've  
wasted all your time  
'Cause there's dreams that go by  
And dreams that you find

And I know what you mean  
But I can't hear you  
With all the talking,  
with all the talking  
And I know how it seems  
But I can't find you  
With all the talking

I never mentioned love affairs  
That run through my mind  
And all the faces you won't see  
And you don't know your  
words have changed  
So you keep talking  
And there might be something for me

And I don't care if I've  
wasted all your time  
'Cause there's dreams that go by  
And dreams that you find

And I know what you mean  
But I can't hear you  
With all the talking,  
with all the talking

And I know how it seems  
But I can't find you  
With all the talking

Can't you feel it  
Can't you see  
This world just gets me down  
When all at once you find a way  
To be satisfied

And I don't like the way I feel  
But I don't understand  
Why I hide the things I do  
And I don't care who's wrong or right  
I just need a reason,  
I need a reason,  
I need a reason

Oh I know what you mean

But I can't hear you  
With all the talking,  
with all the talking  
And I know how it seems  
But I can't find you  
With all the talking,  
with all the talking

I know what you mean,  
I know what you mean,  
I know what you mean,  
I know what you mean
