

Fly

Tiffany Darwish

When I was young
I never had no rules
I could do anything
As long as I believed...

It's been a long time
I made it through the rain
You brought back everything
And I have found my wings

I can fly again
I found my heart waiting with you
Love that's true, I feel so alive!
I can fly again
Letting go is where I belong
Love that strong all my life

Remember the times
I looked for brighter days
Hoping that things would change
And turn it all around

Now that you're here
I can see everything
Ride on the joy you bring
and lift me off the ground

I can fly again
I found my heart waiting with you
Love that's true... I feel so alive!
I can fly again
Letting go is where I belong
A love thats strong all my life...

I can fly again!
