

Cold Start

Tiffany Evans

Yeah eah eah
Yay
Oo oo ooh
Nay ay
Nay ay
Nayayay
I been stuck here, thinking of,
Why you're lost, without your love.
I could sit and count the days.
(Ay ays)
I reminisce about your touch,
Way you smell,
And why you're gone
I gotta get out of this phase
For me I gotta prove,
I can do without you,
Go ahead,
Do me
And forget about you
Gone are the days and the illusions you made
Put myself in first place
All you'll hear is me say...
Tonight I'm going out (Yeah eah eah)
Tonight I'm in the crowd (Yeah eah eah)
Tonight I'm showing out (Yeah eah eah)
'Night, without a doubt (Yeah ay)
I'm a star
Going Hard (Yeah eah eah)
Shuttin down the boulevard (Yeah eah eah)
Livin' large
Visa Charge (Yeah eah eah)
Don't need
A cold start (Yeah ay)
Tonight I'm going out (Yeah eah eah)
Tonight I'm in the crowd (Yeah eah eah)
Tonight I'm showing out (Yeah eah eah)
'Night, without a doubt (Yeah ay)
I'm a star
Going Hard (Yeah eah eah)
Shuttin down the boulevard (Yeah eah eah)
Livin' large
Visa Charge (Yeah eah eah)
Don't need
A cold start (Yeah ay)
Can't seem to shake the way you kiss
Way you talk
And ooh, those lips
Such a shame to say that you're gone (o-on)
I want you now
But you're with him
Hope you're happy, settling
Girl you can do bad on your own (your ow-n)
Yeah, you had to prove
That my love is plus you
All my time is me (me)
I ain't worried about you
Gone are the days (yay) and the illusions you made (ay)

Put myself in first place (hey)
All you'll hear is me say... (tonight)
