I wanna talk to you

Talk to you, talk to you babe  
I wanna talk to you  
Talk to you, talk to you  
I just wanna talk to you  
Talk to you, talk to you babe  
□□ □ □  
But all I wanna do is talk to you

No, no, no, no, no  
Talk, talk to you  
All I wanna do is talk baby  
Talk, talk to you baby  
Talk, talk to you  
I wanna talk to you  
All I wanna do is talk to you

I wanna know you  
But I don't know anything, it's frustrating  
The attraction is fatal  
Your silhouette follows me  
In between, the fire is making  
My heart beat faster  
The more I push you out, the stronger  
You pull me in, I want you even more  
You and I met at a party  
Are you that somebody I've been looking for?  
Come to me, come talk to me, hurry  
I want to get to know you today

I wanna talk to you  
Talk to you, talk to you babe  
I wanna talk to you  
Talk to you, talk to you  
I just wanna talk to you  
Talk to you, talk to you babe  
Only you and me  
But all I wanna do is talk to you

Everything that you want right now  
I can't give to you  
But in this moment  
I can already feel it  
Your face shows it, you're thirstier than anyone else  
Get to know the real me that you want

You and I met at a party  
Are you that somebody I've been looking for?  
Come to me, come talk to me, hurry  
I want to get to know you today

I wanna talk to you  
Talk to you, talk to you babe  
I wanna talk to you  
Talk to you, talk to you  
I just wanna talk to you  
Talk to you, talk to you babe  
Only you and me  
But all I wanna do is talk to you

Talk, talk to you  
Talk, talk to you baby  
Talk, talk to you  
All I wanna do is talk to you

Will you listen to the stories on my lips?  
Will you tell me your stories with your voice?

I wanna talk to you  
Talk to you, talk to you babe  
I wanna talk to you  
Talk to you, talk to you  
I just wanna talk to you  
Talk to you, talk to you babe  
That's all  
But all I wanna do is talk to you

No, no, no, no  
Talk, talk to you  
All I wanna do is talk baby  
Talk, talk to you baby  
Talk, talk to you  
I wanna talk to you  
All I wanna do is talk to you
