

Na Na Na

Tiffany

You're in my head
I can't believe I ever let you in
But here you are
You're with me everywhere I go

Like a song
I guess I'll sing it when the music ends
I know exactly how it goes

And it goes... na na na na na
You're voice is haunting me
Why wont it let me be
I hear you in my dreams
Nothing sounds so sweet

I'm in so deep
I can't believe this is happening
I feel the rush
Whenever you are close to me

In all my life
I never thought I'd hear a song so sweet
And I will never lose, this feeling's deep

It goes... na na na na na
Your voice is haunting me
Why wont it let me be!
I hear you in my dreams
Nothing sounds so sweet

And now I found you
I will never ever let you go
We'll be together
Now for all eternity

When I need you
I just close my eyes and there you are
I breath the words
And hear a simple melody

And it goes... na na na na na
Your voice is haunting me
Why wont it let me be
I hear you in my dreams
Nothing sounds so sweet

Nothing sounds so sweet
