

Ride It

Tiffany

It's sexual... It's sensual... Irresistible
It's sexual... It's sensual... Irresistible

I thought about it
Me and you
It's time to make my move
Somethin' good is goin' on
A phenomenon

I'm not that kind of girl to be so sexual
Maybe it's physical but I don't care
This time I'm letting go

So turn the lights down low
Now we're movin' slow
Baby don't let go
We're gonna ride it... ride it
Keep it goin' on till the break of dawn
Baby all night long we're gonna ride it... ride it

No doubt about it
I can't deny
The way you make me feel
It's not imagined
It's no dream
It's something real

I never thought that love could be so sensual
But now I'm here with you and I'm not scared to let my feelings show

So turn the lights down low
Now we're movin' slow
Baby don't let go
We're gonna ride it... ride it
Keep it goin' on till the break of dawn
Baby all night long we're gonna ride it... ride it [x2]

It's sexual... It's sensual... Irresistible
It's sexual... It's sensual... Irresistible
