

## Step Into The Sky

Tiffany

Sometimes I feel like slipping away  
The more I give, the less you take  
And I don't know why I keep rushing from day to day  
'Cause in the end it's all the same

I don't need all these things  
To make me feel complete  
I don't need to crucify  
Someone else's dream

And I want to step into the sky  
I want to fall into your eyes

The morning light is perfect today  
It's bliss to me like amazing grace  
And I don't know why I keep talking in my sleep  
Caught in the storm of yesterday's dreams

I don't need all these things  
To make me feel complete  
I don't need to crucify  
Someone else's dream

And I want to step into the sky  
I want to fall into your eyes

I want to find the reasons why  
I want to step into the sky

I don't need everything  
To make me complete  
I don't need to crucify  
Someone else's dream

I want to step into the sky  
I want to fall into your eyes  
I want to find the reasons why  
And I want to dive into the night

I want to step into the sky (step into the sky)  
I want to fall into your eyes  
I want to find the reasons why  
I want to step into the sky  
Step into the sky...
