

## Danny's Song

Tift Merritt

People smile and tell me I'm the lucky one,  
That we've just begun. I think I'm gonna have a son.  
He will be like you and me, free as a dove,  
Conceived in love, sun is gonna shine above.

And even though we ain't got money,  
I'm so in love with you, honey,  
Everything will bring a chain of love.  
And in the morning when I rise,  
Bring a tear of joy to my eyes,  
And tell me everything is gonna be alright.

Love a guy who holds the world in a paper cup,  
Drink it up, love him and he'll bring you luck.  
And if you find he helps your mind, better take him home.  
Don't you try to live alone. Try to earn what lovers own.

And even though we ain't got money,  
I'm so in love with you, honey,  
Everything will bring a chain of love.  
And in the morning when I rise,  
Bring a tear of joy to my eyes,  
And tell me everything is gonna be alright.
