

Sweet Spot

Tift Merritt

Nothing fancy, nothing fake.
Nothing wasted and no deal to make.
What you need is all you want to take,
And what you take you use -

I'm just looking for that sweet spot
Where I can live the way that I want.
I'll be waiting for you out front,
If you want me to.
Are you coming too?

The fire is steady and the beat strong.
The give is good and wide and long.
You don't even have to hold on,
Cause it's got ahold of you -

I'm just looking for that sweet spot,
Where I can love the way I want.
I'll be waiting for you out front,
If you want me to.
Are you coming too?

And when I find that sweet spot, gonna give it everything I got
. .
Turn up the radio a whole lot for the afternoon.

Soft as a woman and strong as a man,
Throws your head back in a full mouth laugh,
It's like knowing you can sleep at night
But you don't want to -

I'm just looking for that sweet spot,
Where I can live the way that I want.
I'll be waiting for you out front,
If you want me to.
Are you coming too?
