

# Shameless

Tigertailz

Whoo!  
Oh, yeah  
Hear me out here, baby!  
Wanna tell ya all about it now

Oh-whoa-whoa...  
Lookin' good!

I met a girl about seventeen  
She said, I'll use ya and abuse ya  
Do you know what I mean  
Oh, I just want lovin'  
I took her riding, got her in my car  
She said, now, honey, gonna make it  
Take ya to the stars above  
Oh, do you want my lovin'  
Oh-whoa...  
All that night we had it made  
I'm alive and I gotta play  
Back in line just to make the grade  
No way out!

'Cause she's shameless, down on her knees  
Yeah, shameless, eager to please  
Shameless, all the way down  
Shameless, she's my little runaround town

Got me a ticket, took a one way ride  
She said, now, honey, come on  
I'm gonna let you inside  
Oh, do ya want my honey  
Now I can't fight it, I don't give a damn  
My motor's runnin' hot and rocking  
Baby, gonna lay you down  
Oh, do you want my honey

Oh-whoa...

All that night we had it made  
I'm alive but I gotta play  
Back in line just to make the grade  
No way out!

'Cause she's shameless, down on her knees  
Yeah, shameless, eager to please  
Shameless, all the way down  
Shameless, she's my little runaround town  
Whoo!  
Hey, check this chick out, man!  
Hey, honey, what you got under that dress now  
Ain't you got no shame!  
Hey, hey, hand me another bottle!  
Say, what cha gonna do for me now, baby  
(I'll do anything for you, honey!)  
Ooh, la, la!  
Hey, hey come on over here, now!  
Roll the set, baby!

Alright, gimme another shot! Ow!

Well, she's shameless, down on her knees  
Yeah, shameless, eager to please  
Shameless, all the way down  
Shameless, she's my little runaround...

Shameless, down on her knees, yeah  
Shameless, eager to please  
Shameless, all the way down  
Shameless, she's my little runaround...  
Shameless!!!
