

# Squeeze It Dry

Tigertailz

Wah-oh-oh, wah-ah-oh-oh-oh...  
Wah-oh-oh, wah-ah-oh-oh-oh...  
1, 2, 3, 4!  
Wah-oh-oh, wah-ah-oh-oh-oh...  
Wah-oh-oh, wah-ah-oh-oh-oh...  
Shake it, shake it!  
Shake it, shake it!

Open fire every night  
A shot of whiskey make you feel alright  
But we all know  
You're never gonna let it go  
At work all day, will you act so shy  
Twelve o'clock, you'll be feelin' high  
But we all know  
You're never gonna let it go  
Ooh, we all know  
You're never gonna let it go

You, you, you gotta squeeze it dry  
I know you like it  
Yeah, you know you gotta squeeze it dry  
Gotta let it burn, oh, yeah  
Just take one more shot  
'Cause I know you like it  
You gotta squeeze it dry  
Sink another drink, boy

Oh-oh, your head is spinning round and round  
One more lick an' you'll hit the ground  
Have a drink on me, oh, we'll get hell to pay  
Have a drink on me, oh, we'll get hell to pay

You, you, you gotta squeeze it dry  
I know you like it  
Yeah, you know you gotta squeeze it dry  
You gotta let it burn, oh, yeah  
Just take one more shot  
'Cause I know you like it  
Yeah, you know you gotta squeeze it dry  
Just sink another drink, boy, whoo!  
Day after day, as the time rolls on  
Fading away, all your dreams have gone  
Day after day, as the time rolls on

You, you, you gotta...

Woh-oh-oh, wah-ah-oh-oh...  
Oh, let me hear it  
Woh-oh-oh, wah-ah-oh-oh...  
'C'mon, alright  
Woh-oh-oh, wah-ah-oh-oh...  
Everybody sing it  
Woh-oh-oh, wah-ah-oh-oh...  
'C'mon, alright!

You gotta squeeze it dry

I know you like it  
Yeah, you know you gotta squeeze it dry  
Gotta let it burn, oh, yeah  
Yeah, just take one more shot  
'Cause I know you like it  
Yeah, you know you gotta squeeze it dry  
Sink another drink, boy, oh, yeah  
Squeeze it dry
